

## NOTICES OF PUBLIC INFORMATION

Notices of Public Information contain corrections that agencies wish to make to their notices of rulemaking; miscellaneous rulemaking information that does not fit into any other category of notice; and other types of information required by statute to be published in the *Register*. Because of the variety of material that is contained in a Notice of Public Information, the Office of the Secretary of State has not established a specific format for these notices.

**4. APPLICABILITY**

This Order supplements rules in the *Arizona Administrative Code*, Title 3, Chapter 2, Article 6, Health Requirements Governing Admission of Animals. It applies to all avian species and commercial traffic originating from the quarantine area in California, and to bird exhibits, shows, auctions, public displays, and competitions held in Arizona.

**5. ORDER**

- A. Area under quarantine. The areas under quarantine include all counties and portions of counties in California currently declared or in the future declared to be under quarantine for END by the state of California or the U.S. Department of Agriculture ("USDA"), Animal and Plant Health Inspection Service. The area under quarantine in California as of January 7, 2003 includes all of Los Angeles County, all of Orange County, all of San Diego County, portions of San Bernadino County, and portions of Riverside County.
- B. Items under restriction. Birds, poultry, poultry products, poultry waste, vehicles, and materials that could transmit END.
- C. No live or dead bird of any type, including poultry, poultry product, or material, including poultry waste, that could transmit END may be moved into Arizona from the area under quarantine. An exemption is made for eggs that have met the requirements of 9 CFR 82.8, including washing, sanitizing, and packing in new material.
- D. No equipment used for the processing of eggs or for the housing, feeding, watering, entertaining, or otherwise caring for birds of any type may be moved into Arizona from the area under quarantine unless accompanied by a certificate signed by an official of the USDA or the California Department of Food and Agriculture stating the equipment has been cleaned and disinfected according to a protocol established by the USDA.
- E. A commercial vehicle originating from the area under quarantine that is transporting feed or eggs must stop at an Arizona Port-of-Entry inspection station located in Yuma (I-8), Ehrenberg (I-10), or Parker (SR 95) and provide the agriculture inspector proof of the cleaning and disinfection of the vehicle, trailer, and packing material performed immediately prior to the loading of the vehicle. This proof must be provided in writing and demonstrate that the cleaning and disinfection was performed according to a protocol established by the USDA.
- F. A vehicle of any type transporting a bird shall stop at an Arizona Port-of-Entry inspection station located in Yuma (I-8), Ehrenberg (I-10), or Parker (SR 95) and provide the agriculture inspector an original health certificate issued by an accredited veterinarian within thirty days prior to entry stating the birds are healthy and do not originate from a quarantine area. Photocopies of health certificates must have an original veterinarian signature.

**Notices of Public Information**

- G.** A promoter of an event in Arizona, such as an exhibit, show, auction, competition, or other public display of birds of any type shall immediately inform the State Veterinarian by mail, facsimile, or electronic mail of a scheduled event. The notification shall include the contact name, mailing address, physical address of the event, and daytime telephone number.
- H.** A promoter of an event in Arizona, such as an exhibit, show, auction, competition, or other public display of birds of any type, shall inform the event exhibitors and vendors in writing of this Order, the current quarantine for END, and the risk of introducing END into Arizona, and the promoter shall require each event exhibitor and vendor to attest in writing that they are not in violation of this Order. The signed document shall be forwarded to the State Veterinarian within one week of the conclusion of the event.

**6. IMPLEMENTATION**

This Order is effective January 7, 2003 and remains in effect until cancelled.
